New Lions Club formed with Fruitport Lions Club support

by Sue Johnson
On February 7, 2009, the Greater Muskegon Blue Sky Lions Club hosted their Charter Night celebration at the beautiful Shoreline Inn and Suites hotel in downtown Muskegon. Sponsored by the Fruitport Lions Club, the Blue Sky Lions Club president, Clara Shephard, received a banner from Fruitport Lions president Larry Rogers, and a promise of continued support and encouragement. There were eight 11CI Lions Clubs present in support

of the new club. In all, 71 Lions and guests were in attendance. Governor Mike Johnson inducted three new members into this inspiring new club dedicated to the youth of the community.

Dr. Dennis Cobler, PID, was not only the guest speaker, but also inducted the new officers. The event was highlighted by a wonderful buffet, a raffle and a 50/50 drawing.

We look forward to hearing about great things from this new club as they plan fundraisers and put into place many activities, trades classes and tutoring for the youth of this community. •

Cochrane-Hoekstra joins Third Avenue Family Clinic

(Submitted by Third Avenue Family Clinic)

Third Avenue Family Clinic welcomes physician assistant, Dana Cochrane-Hoekstra to the office. Dana has worked in family practice for eight years in Muskegon and Dr. Robert Pierce and his staff are excited to have her experience and enthusiasm on their team. Dana will work with Dr. Pierce to offer full time women's health services as well as physical and psychological evaluations of children, adolescents and adults. Dana graduated from Mona Shores High School in 1987. She received her Bachelor's Degree in child psychology from Western Michigan University. After graduation, she worked for five years with abused and neglected children placed in foster care before deciding to get her Master's Degree as a physician's assistant.

Dana is married and has two children, ages 16 and 3. She is now accepting new patients, and is looking forward to getting acquainted with the Fruitport community. •

Your hometown Orchard Market...At your service

by Alex Rogalla

When it comes to taking care of the customer and providing only the best in customer service to you, look no further than your hometown Orchard Market store. With two stores similar in size and located only five miles apart, Orchard Market stores are proud to serve the great communities of Fruitport and Spring Lake. Both stores are owned by Gary and Cindy Gerlach of Hudsonville. Although over the past five to six years a number of super centers have positioned themselves in the surrounding area, Orchard Market stores have stayed true to the one thing that matters most: Taking care of the valuable customers who walk through the door. In a time where the retail trend has been to eliminate positions, cut back on scheduled staffing, and replace cashiers with automated self-serve lanes, Orchard Market stores have gone against the grain, hiring more employees and making sure there is always enough staff on hand to provide only the best in customer service. While many retailers have abandoned the service of carrying groceries out to your car, your hometown Orchard Market continues to not only provide the service, but enjoy the privilege of doing so.

Recently, we have developed an additional service program and held meetings for our team members to help reinforce the importance of our high service standards and to carry on the theme of *At Your Service* by living it daily. Whether it is a custom cake order, specialty meat cut, a sub sandwich party order, or the personal request of an item you would like us to carry, you can be sure that we will do whatever it takes to satisfy your needs.

Orchard Market stores are truly your hometown community store — just the right size to come in, find what you are looking for, and be on your way. Let's face it, nobody really likes to go grocery shopping; and trying to come up with just the right meals to please the whole family can be a challenge in itself. If you are tired of oversized and understaffed stores and looking for a place to shop that places high standards on cleanliness, freshness, variety, and top-of-the-line customer service, take a short drive to your hometown store and experience the Orchard Market difference for yourself. •

Bunnies make great pets

(Submitted by Christine Beamer)

Did you know that bunnies are all litter trainable and make awesome in-home pets? They are very affectionate and love to cuddle and even sleep with you. They come when they are called, and learn tricks, too.

Please know that a pet bunny is not a stuffed animal and will need hands-on care for 10 years or more.

Critter Café Rescue has 35 or more on site house bunnies that are adoptable. We also have Bunny 101 to teach you how best to care for your pet bunny and "Bunny Therapy" to allow you to love on a pet bunny while lowering your blood pressure and slowing your heart rate, too. And bunny therapy helps socialize a pet bunny through your touch.

Call Critter Café Rescue at 865-6021 or email Crhistinelea1@yahoo.com. You can see more adoptable pets at www.CCCandR.petfinder.com or www.myspace.com/CritterCafe and rescue. •
