Service & Body Repair for All Vehicles
The Witt Buick Team has been serving West Michigan for 98 years---with many more to come. The Witt Family of Employees and Customers is very special. The appreciation of you - our customer - is the #1 thought as we move ahead as a GM-Buick Dealer. The retention of Witt Buick allows all West Michigan a choice of GM Dealers for service. We will continue to give you the customer care that you have indicated is "The Best". The Witt Team and I will never forget the support you gave us. We received many calls from Florida, Texas, and Arizona and from our local customers weekly to offer support in any way possible. I can't tell you how wonderful and overwhelmed I feel due to all the support I have received from you. It is now time to celebrate and move ahead!
Thank You
