Police investigating larcenies from RV dealership

Fruitport Township Police are investigating larcenies from multiple motor homes, travel trailers and fifth-wheel campers at All Seasons RV, 4701 Airline Road. Stolen items include electronics, such as stereo equipment. The thefts were reported Monday, December 3.

Police investigating armed robbery

Fruitport Township Police are investigating an armed robbery that took place shortly after 4 a.m. on Tuesday, November 27 at the BP E-Z Mart in Cloverville on Heights Ravenna Road.

No one was injured during the robbery. A masked suspect armed with a handgun walked into the gas station and demanded that the clerk hand over money. He got away with an undisclosed amount of cash.

Larceny from vehicle complaints

The Fruitport Township police are investigating two complaints regarding larcenies from vehicles on November 20. The windows of two locked vehicles were broken and the offenders) took valuables that were in plain view in the passenger compartments of the vehicles.

One of the incidents took place in the parking lot at Red Lobster, 1681 E. Sternberg; the other incident took place in the parking lot at Booyah's, 6022 Harvey Street.

Felony weapons offense suspect arrested

With the assistance of the Muskegon County Emergency Response Team, the Fruitport Township Police Department arrested a 48-year old male subject on November 8 for an outstanding arrest warrant for a felony weapons offense.

The arrest warrant stemmed from an incident that took place in the 300 block of Lake Street in Fruitport in March. In that incident, the male subject had reportedly fired a gun inside his residence in the presence of his 11-year-old child. This reportedly took place while the male subject was holding the gun and talking to his child about the child's mother and the mother's new husband. The child also reported seeing him point the gun toward himself several times.

Police executed a search warrant at the residence and seized multiple firearms. They also observed damage consistent with a firearm being discharged inside the residence.

Abandoned animals at vacant residence

Misdemeanor arrest warrants were authorized for two adult subjects for abandoning animals (three cats and one dog) when they moved from a residence in the 3300 block of Beechnut.

The investigation began on September 5 following a complaint from a neighbor who was familiar with the residence being vacated and the animals being left behind.

Neighbors concerned about the animals being left without care had given them food and water. Police found the animals and removed them. One of the cats was turned over to a neighbor who offered to provide a caring home. The other three animals were taken to the Pound Buddies Animal Shelter and Adoption Center.

A statement from Pound Buddies regarding the condition of the animals stated, in part, "The two cats were thin and they, along with the dog, were flea infested and covered with sores...they were severely neglected...The dog was in especially bad shape with raw, open sores and missing hair. The dog was also very aggressive, so apparently had never been properly socialized."
