**2014 OFD Road Race
Volunteers appreciated**

Letter to the Editor

At the risk of omitting the name of a volunteer, we extend our appreciation to those who assisted with the 2014 5K and 10K run held on Saturday, May 26, 2014. Thank you very much for your time and effort, because without you, the run would not be possible. Worthy of noting is that many of the people listed here have volunteered their time every year for most of the 33 years that the road run has existed.

A special thanks goes to Chad Lundberg, Heather Fett and The Storage Group for their sponsorship of the road run, giving a sizable donation as well as their expertise with on-line registrations.

On Thursday, May 22, the following helped prepare the registration packets for the runners: Lorrie Essenberg, Carol Hulka, Thara Johnson, Carol Langlois, Chad Lundberg, Donna Pope, Valerie Rogers, Alice Szpieg, Larry Swisher, Bonnie Torrens and Debra Wagenmaker.

The day of the run, another special thanks to members of the Fruitport Lioness Club: Alice Szpieg (organizer of the morning registration), Dee Barber, Lorrie Essenberg, Heather Fett, Rose Dillon, Carol Hulka, Thara Johnson, Sue Milton, Valerie Rogers and Lion and Lioness Pat Stressman. Other volunteers include Chad Lundberg (starter and announcer of awards), Coach Greg Vargas and members of the Fruitport High School varsity football team, Steve Wilson, Jerry Lundberg, Roger Barber, Ric Tice, Larry Rogers, Dan Gorejec and Wes Owen (organizer of the route water stations).

Also, we extend our gratitude to Fruitport Community Schools for the use of their facilities and to Derick Brown, school maintenance employee, for his assistance on the day of the race. The Village of Fruitport Department of Public Works also participated by placing traffic barricades along the route.

Derek Bailey, owner of Runners' Edge Timing, provided and operated the electronic equipment at the finish line.

The road run would never happen without these dedicated volunteers. Thank you all!

Debra Wagenmaker
