Andrea J. Anderson

Candidate for Fruitport Township Clerk

Honesty, hard work, and integrity will be at the forefront of Andrea's service to the Fruitport community as Township Clerk.

Andrea J. Anderson is a candidate with a high moral standard. She is an honest and hard working professional who will do what is right for Fruitport. Andrea will be a fresh face, coming to town hall without ties to any current township official or their political stance.

Andrea excelled in business school earning her Bachelor's in Business Administration, focusing on management and finance, graduating with Dean's List honors. Clerical duties and organization are where she thrives.

Helping Andrea to be prepared to serve as your next township clerk are her years of experience in office management, finance, coordinating, and customer service.

The Anderson's have rooted their family in Fruitport believing it to be an excellent place to raise a family. Her husband Chris takes pride in serving the community in his career as a firefighter. Andrea is a mother of two children and enjoys working and volunteering at Beach Elementary where her oldest attends.

Please show your support and vote Andrea J. Anderson for Fruitport Township Clerk on August 2, 2016.

Holly Hughes

Candidate for State Rep. - 91st District
(Incumbent)

I am running for re-election because our hometown and hard-working taxpayers deserve an effective Representative that gets things done. As the author of over 15 new laws, I have

helped people all across our county to cut through bureaucratic red tape and advocate for common sense West Michigan solutions. I have worked closely with our county's educators to make sure they have the resources to provide a world-class education to our kids, and I have fought for our veterans because they have always fought for our freedoms. I ask for your support so that our hometown values continue to have a voice in Lansing!

Duane Buckner

Candidate for Drain Commissioner

My goal is, to work hard at getting a positive relationship with all local and county officials. A united effort for maintaining our 216 county drains, will keep drain assessments to a minimum on residents.
