Shoreline Lions helped the community

Shoreline Lions have had a busy year. They provided seeds and plants for the 400+ raised gardens that they had furnished for citizens in Muskegon and Muskegon Heights and are doing the same again this year.

Cooking classes were provided at Kitchen 242 for kids from the Love Community Garden area and also provided senior Power Produce at the Muskegon Farmers Market for seniors. They delivered holiday baskets.

They took a bus load of kids to Lewis Orchards for a day of fun and education. They had a back-to-school party in the fall. They furnished Love Community neighbors with fresh organic produce during last summer. They brought a bus load of kids to the Fruitport Lions Old Fashioned Christmas in December and 2016 OFD.

A number of Fruitport Lions members volunteered for some of these events. Some of the funds for expenses were provided by the Fruitport Lions Club and the Community Foundation for Muskegon County.

Lion Carl Werner at the grill

Do you recognize this volunteer at the back to school party? (Hint: Before he got into politics, he spent time working with food in a grocery store.)

Is this kid lost in the corn maize?

Senior Power Produce

Some kids looked different when they got back on the bus!

THANK YOU,
