It's simple, really. How well you retire depends on how well you plan today. Whether retirement is down the road or just around the corner, the more you work toward your goals now, the better prepared you can be.

Preparing for retirement means taking a long-term perspective. We recommend buying quality investments and holding them because we believe that's the soundest way we can help you work toward your goals. At Edward Jones, we spend time getting to know your retirement goals so we can help you reach them.

Muskegon Shoreline Lions activities

Branch of Fruitport Lions

By Morning Bear
Senior Power of Produce at Muskegon Farmers Market where we served 500 to 600 seniors weekly. Each senior from August 1 to September 12 received \$4 in tokens to buy fresh produce. This made possible because of the Fruitport and Shoreline Lions, Community Foundation of Muskegon County and GE and many volunteers.

Our Annual Back to School Gathering. This year we handed out 110 bags of school supplies to give kids a good start into the school year. All thanks to volunteers, Fruitport and Shoreline Lions.

On the bus for Kids Power of Produce and then off for some miniature golf.

Our garden is in its 14th year. It seems to just happen every year with lots of people and vegetables. It seems every thing simply falls into place.
