

“Date Night” 2018

by Heidi Tice

The Fruitport Leo club chose to give up some Friday nights in November and December so parents could shop for Christmas or just enjoy some time together. They started the date nights November 3, 2017 and ran them until December 22, 2017. They had planned activities, crafts, games, music, dinner and outside play for any

children that showed up. Each week could range from 15 to 3. The Leos made several observations to include planning and short time frames work best with groups. They learned to break the crafts up into age groups to better handle the children's frustrations. The donations received from the happy parents will help with the Leos ramp building projects. The Club would like to Thank Fruitport Congregational Church UCC for allowing them to use their church for the events and no cost.
