Fruitport's Colonel Max Riekse & Strong Trump Supporter Runs for State Senate

submitted by Colonel Max Riekse

Retired Lieutenant Colonel Max Riekse and long time Fruitport resident, and President Donald Trump supporter, announced that he is running for the Michigan State Senate on the Libertarian Party. He will be on both the August 2018 primary ballot and on the November 2018 ballot. Colonel Max went to

Fruitport schools K-12; and received two Masters Degrees from Western Michigan University; along with his WMU K-12 teaching certificate. He is also a retired Michigan Public School teacher. His son attends Fruitport High School and recently earned his Eagle Scout badge as a member of the Fruitport Boy Scout Troop 1023. Colonel Max also has a B.A. from the University of South Florida. Max served in the U.S. Army for 32 years. He lives near the Village of Fruitport.

Colonel Max Riekse has been the commander of the Fruitport VFW post for many years; and is both a Vietnam War Veteran and an Iraq War Veteran; and has led the Fruitport Memorial Day VFW color guard for many years. He is also active in his Boy Scout troop.

Colonel Max's campaign platform includes:

• Lowering home property taxes for senior (American) citizens.

• Eliminating the Republican pension tax on senior (American) citizens.

• Eliminating the Michigan Income tax for American citizens in Michigan.

• Support calling up 100 plus Michigan National Guard volunteers to support Federal border patrol and customs agents at Michigan's Canadian border.

• Banning all illegal aliens from attending Michigan Public Schools.

• Making all legal aliens pay to attend Michigan Public Schools.

• Ensuring that all Michigan law enforcement entities fully cooperate with the Federal government in rounding up & deporting all illegal aliens in Michigan.

• Support specially trained armed teachers in Michigan Public School classrooms. Max Riekse has been a Life & Endowment member of the NRA for over 50 years.

• Pass a Michigan legislative bill that repeals the 12th Amendment; & go back to electing the President & Vice President separately as our founding fathers had originally intended under our Constitutional Republic; i.e. the U.S. Constitution.

• Pass a Michigan legislative bill that repeals the 16th Amendment – Federal Income tax & abolish the IRS; we need a fair and 'flat' tax; not a (Red) progressive tax.

• Pass a Michigan legislative bill that ends the winner take all presidential electoral system & replace it with a fair & proportional electoral system based on the votes of the top three candidates, i.e. Republican, Democrat and Libertarian; that way most everyone's vote, including Independents, for President in Michigan counts. • Greatly reduce anti-4th Amendment local & state government asset forfeitures laws and mandate that Due Process in a court of law be part of the entire process; • Max favors the repeal of all laws creating "crimes" without Victims. (JUSTICE) • Max & Libertarian Party are all about Individual Freedom & the Bill of Rights.

• If you like to eat; thank a farmer; LOWER property taxes on all active farmland.

Ate salad for dinner! Mostly croutons & tomatoes. Really just one big, round crouton covered with tomato sauce. And cheese. FINE! It was a pizza. I ate a pizza.
