Fruitport Township Clean Up Days

by Heidi Tice

Friday was windy and a few showers fell but residents still took advantage of free dumpsters behind Fruitport Township. The two day event is very popular in Fruitport Charter Township and as always well attended. Residents were able to drop off yard waste, metal (that will be recycled), oil (that will be properly disposed of), old paint (that will be properly disposed of) and just general junk from yards or garages. Saturday was

beautiful and the county gave free tip day at the solid waste facility. The township participates in the county's free waste tip day in conjunction with their clean up days to help keep cost down. The

Fruitport Leo Club filled a dumpster on Medema St for a resident that could not handle the task due to health issues. This is the second year the group has provided this service. They receive a name each year from Michigan Township Services for an individual they have complaints about and help to clean up yards for the good of the occupant and their neighbors. Fruitport Township is blessed with many volunteers to include Fruitport Lions,

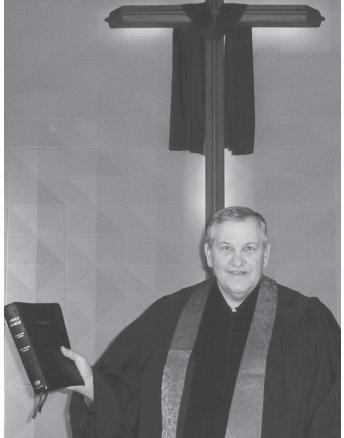

Fruitport Firemen, Fruitport DPW workers, even a candidate for District 5 County Commissioner; Zack Lahring, turned out to help in the cleanup day efforts. The township would like to thank the Fruitport residents for their efforts in cleaning up our community and all the volunteers that make the event happen. Muskegon County will be at Fruitport Charter Township Hall collecting tires for FREE May 12, 2018. Fruitport Charter Township's clean up days is always held the first Friday and Saturday of May see you next year.
