We Lost Another Police K9 Due to Gun Fire, Please Help Vest our K9s

We are halfway through our campaign, #KevlarsForK9s, to help police dogs but have only raised 10% of our \$50,000 goal. Our campaign is even more urgent after the deaths of K9s already this month.

Jacksonville K-9 shot, killed during chase; another K-9 catches suspect. EOW 9-30-18

Story: <https://www.actionnewsjax.com/news/local/jso-k-9-shot-killed-during-chase-another-k-9-caught-suspect/844075656>

May K-9 FANG R.I.P.

We are grateful for the outpouring of support we have already received and hope that you can help us reach our goal.

There's two easy ways you can help us reach our goal:

1. Make a tax deductible donation--any amount will help.

2. Share our campaign social media, using #KevlarsForK9s, to help us get more people involved.

As you know, these police dogs serve alongside their human handlers every day doing critical work. We know that they deserve the same life saving protection as police officers.

I hope you can help us reach our goal by donating today.

Thank you.

Sincerely
Tom Berry
