

# Virtual RUN AND RIDE TO REMEMBER

Cowboy Jim, Pat & Dale Carr

## Cowboy Jim's Jamboree

Submitted by Diane Campbell

Cowboy Jim's Jamboree was started back in the first few months of 2011. It came about from Dale & Pat Carr and Jim talking over some coffee. His coin shop used to be a church so it had a stage in it all ready. Dale & wife Pat Carr used to have a band that traveled around and put on shows. They thought this would be a good place to entertain. So it was SENIORS entertaining SENIORS.

Dale could play almost every string instrument there was. When Cowboy Jim's health got bad, he knew he was dying. A little over four years ago he asked his sister & brother-in-law, Cathy & Ellery Chandler, to keep the business open to keep the jam going. We had about 20 to 25 different singers or people playing instruments at that time coming in every week. So Ellery & Cathy Chandler has kept it going.

The Jam has been in session on Wednesdays from 12 noon to 3:00 p.m.. A charge of \$4 is collected to come in and hear some good ol' Country Music. Since March 2019, they have started a Saturday night show from 6:00 to 9:00 p.m.. We have lost some entertainers, but we have gotten some new ones, also.

### \*\*VIRTUAL EVENT REMINDER\*\*

There will be no physical large gathering for the 5k or bike ride events. These will be held virtually with runners, walkers, joggers and bikers registering online. We encourage you to get outside during the week before Memorial Day. A \$5 minimum registration fee and crowdfunding will benefit the Poppen Hospice Residence in Fruitport Township.

It is very important that we keep our senior population, community, and staff healthy and safe. The US Centers for Disease Control and Prevention (CDC) has recommended canceling or postponing in-person events that consist of 50 people or more. Because of the changing environment surrounding the pandemic, we're unable to hold a physical event.

### COVID Memories

When this is over,  
 may we never again  
 take for granted  
 A handshake with a stranger  
 Full shelves at the store  
 Conversations with neighbors  
 A crowded theatre  
 Friday night out  
 The taste of communion  
 A routine checkup  
 The school rush each morning  
 Coffee with a friend  
 The stadium roaring  
 Each deep breath  
 A boring Tuesday  
 Life itself.

When this ends,  
 may we find  
 that we have become  
 more like the people  
 we wanted to be  
 we were called to be  
 we hoped to be  
 and may we stay  
 that way -- better  
 for each other  
 because of the worst.

### Pincrest Bar & Lanes Corner Update

Dear Friends and Neighbors,

Like so many others, we are facing unique decisions around what our plans are as we move into the summer months. Our business is geared to promote social interaction, and we are working to determine what things will need to change in order to resume our activities with safety of our customers and staff in mind.

This summer we plan to take advantage of our large south yard area. Local entertainers will be joining us on Sundays from 4-7pm for outdoor concerts every weekend through the end of August. Seems like a great way to be social while maintaining your personal space. Bring a bag chair and enjoy your favorite drink on the lawn with us while we start a new tradition!

Pincrest Bar & Lanes has been a fixture in our town for almost 70 years. With your help, we will SURVIVE, REVIVE and THRIVE. We encourage you to shop local and give back to the businesses who have so generously contributed to our community. Let's take care of each other.

Stay well, stay safe, and we'll see you at the corner! Aimee & Tom Johnson
