Candidate Bio: Terry Knoll  
Fruitport Township Trustee

During my time on the Fruitport Township Board of Trustees I have built strong relationships with both members of the community and the other members of the Board.

As a member of the Public Safety Committee, I have focused on ensuring that both the Police and Fire Departments have continued to be provided with the resources necessary to properly serve and protect our community.

One of the most important goals for me in serving the citizens of Fruitport has been to practice fiscal responsibility while delivering a balanced budget. This has been accomplished even as we invested in vital infrastructure and future retirement liabilities for our employees.

If re-elected, I will continue to be a voice for the citizens of our community, and hope to work towards finding creative avenues for funding road upgrades throughout our township.

Working together we will continue to be West Michigan’s finest township! Please feel free to contact me at: [Terryknoll71@gmail.com](mailto:Terryknoll71@gmail.com).
