

Candidate Bio:
Greg Hulka
Democratic Candidate for Fruitport Township Trustee

Dear Fruitport Township residents,
I, Greg Hulka, am running for re-election for Trustee. Thank you for the privilege to work and serve you the last four years. I am a life-long resident of Fruitport; been married to Lisa for 29 years; have 3 children and 5 grandchildren. I am a strong advocate for public safety. I am proud of all our employees.
We are entering uncertain times with state revenue sharing because of our current issues with the economy. My goals are to continue to upgrade our roads and parks--it is happening slowly, but surely.
I am a Fruitport Lions member and also a member of Knights of Columbus and St. Thomas Catholic Church.
I will promise only 2 things if you re-elect me: #1, to work hard for you, and #2, to do that with integrity. Please keep yourself and family safe and God Bless.
Sincerely,
Greg Hulka

Retain Heidi Tice – for Fruitport Charter Township – Supervisor

Once again Heidi Tice is running for Supervisor. Over the past 4 years the township board, with Heidi Tice as supervisor, has made several steps forward to improve, restore and band together Fruitport Township.
We have come under budget and increased the general fund all 4 years.
We have put together a capital improvement plan to save toward large purchases instead of extra millage's or bonding (which saves on ballot costs & interest).
We have developed Fruitport's first 5-year road improvement/ maintenance plan.
We have built in ongoing savings with changes to lighting & heating to township buildings as well as a new discount fueling station for township vehicles.
We have increased public knowledge with Facebook, virtual meetings during Covid19 and have launched a new website(at a fraction of the cost) that is user friendly and will allow for ordinances, meeting minutes and much more content available to the public at their leisure.
We have sought out safe and healthy living with an economically fair rental inspection program, and a business registration ordinance.
We have put together a flag fund to keep our flags repaired and replaced as need through donations from the township residents.
We have improved community engagements with special events community days, slip-n-slide, spring cleanup, senior food give a way and more.

Retain Heidi Tice – August 4, 2020 as – Fruitport Charter Township – Supervisor and have another 4 great years.
