Lions Old Fashioned Christmas Canceled

Due to the COVID-19 situation, the Lions OFC committee decided to cancel this year's event. We will put Christmas trees in the park and put up the Pavilion panels as usual.

Fred Yonkers, OFC Chairman

The Sportsmen for Youth board recently voted to cancel 2020 Youth Day at the Muskegon County Fairgrounds. The decision was very difficult but the safety of our volunteers and participants was the deciding factor in the cancellation. Please stay tuned for upcoming raffles and our fundraising banquet which is scheduled for Feb 18th, 2021. We hope to see you next year for Youth Day on September 11, 2021.

Youth Day is designed to introduce and educate youth to all things outdoors. From hunting and fishing to conservation and good stewardship of our natural resources. Youth Day is dedicated to promoting the safe pursuit of outdoor activities. Sportsmen for Youth is a non-profit organization and is able to continue Youth Day free thanks to the generosity and donations from local businesses and private donations.

Please direct any questions to

sportsmenforyouth.info@gmail.com.

Thank you,
 Sportsmen for Youth Executive Board

Mercy Health Hackley Campus Will Become an Urgent Care Starting October 18

submitted by the Muskegon Lakeshore Chamber of Commerce

Beginning **October 18**, all emergency care will happen at Mercy Health Mercy Campus Emergency Department at 1500 E. Sherman Boulevard.

As Mercy Health finalizes its third and final phase of construction and renovation on its 10-story medical center at Mercy Campus, they are preparing to move its Level II Verified Trauma Center for Emergency Care from the Hackley Campus to the Mercy Campus.

The soon-to-be vacated Hackley Campus Emergency Department site will become an Urgent Care and will be open to the public from 8:00a.m.-8:00p.m., 7 days a week, beginning October 18. The Mercy Health Urgent Care located at 1670 E. Sherman Blvd is also open from 8:00a.m.-8:00p.m., 7 days a week.

Completion of the third and final phase of the medical center at Mercy Campus is anticipated for October 19, when the Mercy Health Birth Center and the 10th floor medical surgical unit will be fully open.

ER Visits Plummet Amid Pandemic: "More People are Dying at Home"

submitted by State Senator Jon Bumstead

When COVID-19 first hit the Detroit area, hospitals urged sick people to stay at home. Now they're saying come back because the original message, compounded with fears, came at a cost:

Heart attack victims died at home. Stroke patients let symptoms go unchecked for too long. Fractures from falls were left untreated or worsened.

Doctors say, this is due to fallout from COVID-19, a virus that has people so scared that they're letting life-threatening ailments go unchecked. Nationwide, nearly a third of American adults, 29%, say that they have delayed or avoided medical care because of concerns of contracting COVID-19.
