Lt. Colonel Max Riekse for Congress in November 2020

Lt. Colonel (Ret) Max Riekse is running for Second District U.S. Congress as a Libertarian. “I’m running on the Libertarian Party because they, for the most part, adhere to the true meaning of the United States Constitution, along with the Bill of Rights, as our Founding Fathers envisioned them; that is the Bill of Rights is all about INDIVIDUAL FREEDOM, and limiting government in our lives and (on our) faces; The Tenth Amendment limits what the Federal Government can or should do, reserving to the individual states most of our governance. Un-elected Federal judges have and are legislating our lives, which they have NO right to do. Thank Almighty God for President Donald Trump for his appointing Federal Judges that understand the place that Federal Judges have in our Christian Constitutional Republic. A Libertarian President like Jo Jorgensen, if elected, would appoint Federal Judges like President Donald Trump has. If you can’t vote to re-elect Donald Trump; or vote for sleepy, creepy, slow, slugs Joe and his hateful VP nominee, along with the baby killing, wacko, socialist/communist, pro-anarchist, looting Democrats, then vote for Libertarian Jo Jorgensen, etc. in November.”

“One of the primary reasons that I gave up on the Republican Party is that while I was on the Muskegon County Republican Executive Committee, a man came to one of our meetings with the sole purpose of demanding that no mention of Jesus Christ be made at our annual Washington Lincoln Day dinners or he and ‘his people’ would stop giving money to Republicans and especially the Muskegon County Republican Party. He won. It took some years for me to find out who sent him; it was a RINO Muskegon County Commissioner well known for supporting – playing both Democrats and Republicans. Reject Jesus Christ and go to hell; commit suicide, go to hell; vote for democrats, go...”

President Donald Trump tried and hopefully has not given up, in requiring a citizenship question on our national census. This is very important as each state’s representation in the U.S. House of Representatives is based on population. By some estimates, there are around 20 million illegal aliens in this country, mostly in California and big, baby killing Democrat (socialist) run cities where the public school systems are crap; black on black crime is rampant; corruption a way of life; and overrun with rats and vermin being the norm. There is a reason that socialist democrats want illegal aliens in their census in their states; they ‘bump’ up their population giving them more representatives in the U.S. House of Representatives, and thus ‘their’ illegals give the baby killing democrats more power in Congress so they can work to savage our Constitution; limit our Individual Rights under the Bill of Rights, such as the Second Amendment; demand that we all wear face masks, tax working men and women; shut down the economy as our Michigan democratic governor has, and on and on. Thank God for our Founding Fathers in giving us the Electoral College or we would be under the ‘thumb’ of states such as California, New York, and other liberal blue states.

Finally, I want to extend my very sincere and heartfelt thanks to all those who have voted for me all these years. It’s much appreciated. Hang in there; together we will regain our Christian Constitutional Republic. Pray for a revitalized U.S. Constitutional Republic and a re-elected Donald Trump.

Of course, the earth is warming. What else would it do at the end of an ice age?
