

The Republican Contract with Muskegon

The conservative plan and pledge to better the lives
of all Muskegon County residents:

1. We pledge to balance our budgets, by spending less than the revenue taken in, and reducing waste fraud and abuse.
2. We recognize poverty is a public health crisis, and will work to increase employment opportunities and skills training.
3. We see fatherlessness and lack of family reinforcement as causing major (social, behavioral, and economic) problems in the community, and we pledge to focus on strengthening Muskegon County families.
4. We believe in equality and that every life matters. We pledge to protect the public health and safety of those who may be disenfranchised and advocate for equal treatment of all laws and policies in Muskegon County.
5. We believe a fair and just society requires consistent enforcement of the rule of law, and support and adequate funding for our brave law enforcement. We pledge to protect all the rights of citizens, including the 1st and 2nd amendments.
