DIBS! On Resale

Good things are happening!

- **DIBS! On Resale** is a Thrift Store established to raise money for the West Michigan Area Christian Schools. We opened our doors in 2012 and moved to our current location at 1279 E Apple Ave in 2019.
- **DIBS! On Resale** receives generous donations from the community. Volunteers clean and sort everything that comes in. Our goal is to create a unique and fun shopping experience. Our customers shop in thrift stores to save money on clothes and everyday household items, but they are also on the hunt to find special items that you can't find anywhere else. We offer discounts on Tuesdays for Seniors and every day for Veterans.
- **DIBS! On Resale** sells just about anything. Books, clothing, shoes, household goods, furniture, toys, sporting goods, and even the occasional boat!
- New items are put out daily, and we want **YOU** to have first **DIBS!**

COOPERSVILLE & MARNE RAILWAY ANNOUNCES REOPENING PLANS

The Coopersville & Marne Railway, which suspended all passenger operations following Governor Wittmer's 'Stay Home' order; plans to resume passenger service on Saturday October 17, 2020. The Famous Pumpkin Train will run twice on the 17th and also on Saturday October 24th.

In resuming service the railroad will follow all current CDC and Ottawa County Health Department guidelines. Train capacities will be reduced to accommodate social distancing and train crews will be wearing masks aboard the coaches. Passengers over 5 years of age are also required to wear masks while on the train. All ticketing will be handled electronically, as our station will remain closed. In addition, coach seats will be wiped down between runs in an effort to assure the health and safety of passengers and crew. Prior to boarding passengers will be subject to temperature checks and monitoring for COVID-19 symptoms.

Additionally, our cast of zany characters; including the Grand Pumpkin, Scarecrow, and Li'l Crow; will be performing for passengers

in the pumpkin patch upon arrival back in Coopersville. They will be entertaining with songs, dances, and funny stories. And, as in the past, children will be able to walk through the pumpkin patch and select a pumpkin to take home.

Additional information regarding the upcoming Famous Pumpkin Trains can be accessed on our website: www.mitrain.net. Additional COVID-19 health and safety information can also be found on our website.

Information pertaining to our annual Santa Train will be announced in the weeks ahead as we get closer to the Holiday Season.

The Coopersville & Marne Railway is an 'all volunteer' vintage railroad located midway between Grand Rapids and Muskegon, offering 90 minute train rides between our namesake towns. Our train includes coaches dating to the 1920's along with our 1950's era locomotives. And the right of way that we follow dates back to an 1848 charter for the Oakland and Ottawa Railroad. The Coopersville & Marne Railway features EnterTRAINment Excursions, with local musicians; specialty Theme Trains and group charters during our operating season from mid-March to Christmas.

Mark Fairchild, Muskegon County Register of Deeds

Mark F. Fairchild, 62 years old residing at 893 Center Street, Muskegon, MI 49442, Married to Shelley for 28 years with our 24 year old son Charlie.

I have served as your Muskegon County Register of Deeds for the last 21 Years. I am a Past Muskegon County Commissioner for 13 Years & Branch Manager for a National Mortgage Lender.

The COVID-19 Pandemic has brought to the Forefront the critical importance of The Register of Deeds Office. The State of Emergencies meant the closure of all non-essential county offices and facilities.

I knew and determined that it would be impossible to close The Register of Deeds Office because of its importance to you, business and the local economy of Muskegon County. We remained open because you would still need the ability

to originate new mortgages and sell real estate. Last year alone the Register's Office recorded and protected billions of dollars in new real estate transactions. The U.S. Department of Homeland Security, Cyber Security and Infrastructure Agency also deemed that The Register of Deeds was Essential Critical Infrastructure and should remain operational. Remaining operational your Register of Deeds Office successfully recorded over ten thousand documents, responded to thousands of telephone calls and e-mails, while fulfilling thousands of copy requests for previously recorded documents when others were closed.

I have been successful in achieving many positive improvements in the Register of Deeds Office. Those improvements allow me to protect your most important real estate assets, deliver exceptional customer service and save your tax dollars. Those improvements online include Property Fraud Guard, Home Security Search and Access to Records dating back to 1859 at: www.co.muskegon.mi.us/deeds

I believe I have the experience, dedication and professional background to continue providing the **Government Leadership and Great Customer Service** that the Register of Deeds Office currently provides. **"No politics – just public service! The Door is Always Open!"**

Thank you, Mark F. Fairchild
