

Paula Baker Mathes Candidate for 60th District Court Judge

After graduating with honors from Cooley Law School (Western Michigan University), Paula Baker Mathes began helping indigent clients with civil cases. In 2000, Paula began working in the Muskegon County Prosecutor's Office where she tried thousands of cases, supervised the family division, became chief narcotics assistant prosecutor, and joined the Sobriety Court

Probation team. In private practice, she continued her litigation practice in divorce, child custody, landlord-tenant, and criminal matters. Her passion for helping indigent clients led her to join the Muskegon County Public Defender's Office in 2014 where she continues to work today. She is in court every day handling every type of criminal matter from arraignment to trial and sentence.

Paula Baker Mathes is not only a dedicated public servant she also volunteers with community organizations like the Women's Division of the Chamber of Commerce, the PTO, and the Muskegon Bar Association. She and her husband Brian have two children.

Being a part of both Muskegon County's Public Defender Office as a well as the Prosecutor's Office, where she has handled both Felony and Misdemeanor trials, has given Paula a foundation of experience that makes her uniquely qualified for District Court Judge.

Candidate Bio: Brian Hosticka

Brian was born and raised in Whitehall, attending Whitehall Public Schools. Brian grew up working at his family's restaurant, Dog 'n Suds in Montague. He worked his way through college, attending the University of Michigan and John Marshall Law School in Chicago. Brian moved back home in 2005 to set up a private practice in Whitehall and operate the family's other business, White Lake Dairy Treat, after his father passed away. He soon became a Public Defender for Muskegon County and in 2017, Brian became an Assistant Prosecutor for the county, where he has worked since then.

This is Brian's first campaign for public office, but his deep roots in the community, his experience on both sides of the criminal justice system and his experience as a small business owner gives him strong real world experience that will make him an asset to the community in the state legislature. His campaign has been endorsed by every countywide elected official as well as former state representatives Collene Lamonte and Mary Valentine and former Vice President of the United States Joe Biden.
