

Fruitport Regulators

by Aimee Cohoon-Johnson

This past Memorial Day weekend Pincrest Bar & Lanes hosted the 14th Annual Regulator Run. We had 120 participants and it was a beautiful day for a ride! Our route stops included Mooreland Tavern, 7 Mile Inn, Dave's Effin' Bar, and Pat's Roadhouse. The event raised over \$4,500 for the Regulator Fund (managed by the Fruitport Lions Club). In addition, we also had the opportunity to raise monies this year at the 34th annual Pincrest Open golf outing, with contributions from sponsors and donors totaling over \$1,400. Thank you to The Storage Group, Village Inn, Young Acres Outdoors, The Raven's Nest, Pincrest Bar & Lanes, Kay Kukulka, Mama Mia's Pizzeria, Mike and Susie Kotecki, Lee Manufacturing, and our Riders and Golfers for your generous support.

Mike and Susie Kotecki built the custom bench pictured as a donation for the Regulator Fund. Phil Suchecki purchased the bench during our live auction.

How do we spend the money? This year we donated \$1,000 to the Fruitport Village Pomona Park fund and \$500 to the Fruitport Township Flag fund. We're also gearing up to support another \$3,500 for the Christmas for Families fund and will work with Fruitport Area Schools to sponsor the holiday wishes of a few local families who could use a lift up.

It truly takes a village to care for a neighborhood, and we're glad to be a part of yours. Thank you for your continued generosity,

Sincerely,
the REGULATOR COMMITTEE

COVID-19 Testing Availability in Ottawa County

submitted by Ottawa County

With the continued rise in COVID-19 exposures and cases as a result of the Delta variant, the Ottawa County Department of Public Health (OCDPH) is receiving many questions on the availability of COVID-19 testing. COVID-19 testing is readily available at many locations in Ottawa County and OCDPH is encouraging residents to get tested for COVID-19 if they have been exposed or are experiencing symptoms.

Possible symptoms of COVID-19 may include:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscles or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

"With the rise of COVID-19 cases and the increased risk for transmission, it is important to be tested if you have been exposed to COVID-19 or are experiencing symptoms," said Derel Glashower, Senior Epidemiologist at the Ottawa County Department of Public Health.

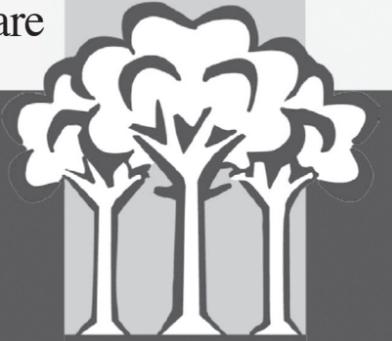

OCDPH is partnering with locations in Ottawa County to offer free, rapid COVID-19 testing. Rapid COVID-19 testing is available to anyone, regardless of age, whether they are experiencing symptoms or not (parental consent is required for minors). Samples are taken via nasal swab. Testing is a quick, easy process and results are received within 15-30 minutes.

OCDPH will notify individuals who have a positive test result. If you receive a positive test result, you should stay home and take precautionary measures to prevent the spread of the virus.

October COVID-19 testing locations can be found on miOttawa.org/COVID19 or by calling (616) 396-5266. A form of ID is needed upon arrival.

Fruitport residents are included.
