Diane Campbell

by daughter, Christina Campbell Ledesma

A friend to all. She had a smile, as warm as the summer sun. She loved people and greeted nearly everyone with warmth and love. She didn't take guff off anyone and could be as her grandkids said "savage". She was very firm in her beliefs and let you know if she disagreed or didn't like something. She worked her entire life serving God and others. A Maycroft Square Tapper in her youth, she long loved music. Gospel, country, or the great Motown hits of years gone by. She loved Elvis, Wynonna, Karen Carpenter, and the Beatles. I don't remember a time where she wasn't singing. Singing, to her, was as normal as talking. It wasn't until her 60's that she became brave enough to get up and sing in front of other people. She took up learning the guitar with teacher Ed Cohea so that she could sing with the band at the Wednesday jams at Cowboy Jim's.

Diane was very involved in the Fruitport community. She worked as a noon mom at Shettler Elementary School, and served as a Cub Scout and Boy Scouts troop leader. She then worked as a noon mom for Beach Elementary, where she was also a Girl Scout troop leader. Children everywhere mattered to her. She would go out of her way to get children to church, Awana, bowling, troop meetings. Diane helped with Vacation Bible School and Sunday school, because getting kids to Jesus was always so important to her.

Mrs. Campbell was known for her firm love and her different hats. Her one nod to fashion was her numerous hats. She loved a good ball cap, cowgirl hat, or fashion hat.

Diane loved to garden, tending to flowers and plants, being outdoors on her riding lawn mower, or drinking iced tea on her porch swing.

Her busy life serving others didn't leave her much down time. She was always on the go. Taking care of her parents, in laws, grandchildren, friends, or church members. Up until her passing, she was on the go several days a week making certain her friend of over 50 years was getting out and about after losing the ability to drive. They spent at least two evenings a week watching the sunset at Lake Michigan.

She loved God, family, animals, and her community. Losing her so soon is a tremendous loss to many. Her heart and love will live on through her generous, positive, loving influence on all who knew her.
