## “OSTEOPATH TO OPEN OFFICE IN FRUITPORT

from the 1956 Muskegon Chronicle

Fruitport, June 4 - Starting July 1 Fruitport will have its own resident doctor, culminating a long effort by the Fruitport Lions club to bring local medical service to the village.

Lions President Russell Kelly said that Dr. James P. Lucie, D.O., will establish an office at 68 S. Third Avenue, in a building formerly operated as the Wagon Wheel Restaurant. He and his family will live in a home on the property.

The club assisted Dr. Lucie in obtaining the property and will aid in the necessary work to convert the building for the doctor's use. Mr. Kelly aid efforts will continue to secure a dentist who may be established in the same building.

Dr. Lucie was born in Buffalo N.Y., in 1928, and attended public schools there. After graduation in 1946 he entered the Army, serving in Panama for two years. He completed his work for his A.B. degree at the University of Buffalo in three years and was graduated in 1951. He entered the Philadelphia College of Osteopathy for four years of study, graduating in 1955, and came to the Muskegon Osteopathic Hospital for one year of internship, which will be completed in June.

Dr. Lucie has passed his State Medical Board examinations, and his license to practice will become valid on July 1 after completion of his internship.

## Grandma Kim's Pet Rescue

We have been working on a stray dog for several weeks! The Elusive Ms. Doughnut is a small white terrier. We were outsmarted several times. She was spotted a few days prior, half her previous size. Obviously, she had puppies! The guys at Lakeside Warehouse Storage apparently were feeding her lots of doughnuts! Thankfully, these businesses reached out. They contacted the grooming rooms of Raquel and I. Prayed lots! A memorable, July 27th, 2023! "A Team Effort." Doughnut, the jig is up, sweetie. Time for the good life! We have this little cutie, Doughnut, and her 7 babies. They are 1 week old, safely captured. Born under a storage container. Tracked by Logan, a wonderful teenager! Spencer, a teen who pulled the puppies out, Wow! All during a Heat Wave. "The July 20, 2023, Muskegon Lake Michigan Miracle Puppies" are here! Jacob Shivilie, thanks. Love It Again Resale, thanks. She is bathed and fleas washed away. She is adorable. Ya think we would be at the lake on a 90° day!
