

Old Fashioned Days 5K

by Randy Johnson

The 44th Old Fashioned days 5K race/walk wrapped up this year with 91 participants. The runners began their journey on the traditional starting line on the corner of 7th and Beech and finished on the track. We had participants from as far away as Wimberly, TX, Brookfield, IL and Wichita, KS. Many local families made it out and ran together. The overall winner this year was also last year's winner Jake Houston from Muskegon with a time of 17:45. The overall female winner was Kallie Sapp of Fruitport with a time of 22:49. The Male Masters winner was Richard Przybylek of Fruitport with a time of 20:21. The Female Masters winner was Terry Hanlon from Wimberly, TX with a time of 28:31

This year we added a 5 mile race in addition to the 5K race. The 5 mile race started the same time and place as the 5K run. When the runners reached the 5K turn around cone, the 5 mile runners continued straight until they reached Rycenga Park. The runners

entered the back portion of the park and ran the amazing trails around the park before heading back home. The race finished on the track. The overall male winner was Landon Johnson of Fruitport with a time of 32:23. The overall female winner was Nicole Robbins from Muskegon with a time of 35:06. Nicole was last year's female overall 5K winner.

We had a few sponsors in this year's race. Glory B. Designs provided the awards and Shirts, Orchard Markets provided the fruit for the runners at the finish and Consumers Credit Union provided workers for the water station during the race. We hope next year to find a few more sponsors.

Memorial Mile:

by Randy Johnson

The second year of the Memorial mile was a great success. Before the parade kicked off 31 runners raced down the parade route finishing at Pomona Park. Each runner was wearing a commemorative white T-shirt with the name of a local service member who served their country. This year's winner was returning Champion Ryder Merkins of Fruitport with a time of 4:58. Placing first for the ladies was also last year champion Nicole Robbins of Muskegon with a time of 5:18. Join us next year and help us honor those who served our country by running in this unique race.

We would like to thank local Business Glory B. Designs for making the race special by donating the Shirts with the names of our local heroes who served their country.
