**My name is Layla Behm** and I am part of the Independent Seekers 4-H club from the Muskegon County Fair.

I show my horse named Coleman in every event I can!! We do our best to our highest ability in everything, and we did very well this year!! We won the western horsemanship, western pleasure, and western bareback traveling trophies. We also placed 1st in most of our other classes also!!

We also won the high point trophy, we got the most points out of all the horse kids in the fair! It was a very great achievement for us, since I've only had him for a small amount of time.

I also won the sportsmanship award for the horse division. Being a good sportsman is something that is very important to me!! I always spread kindness with a smile on my face. Helping the little kids is definitely my favorite!!
