Pincrest League Bowlers Compete at USBC Nationals in Reno

Pincrest Bar & Lanes league bowlers Bob DeCheney Jr. and Nick Smith were among a handful of HOUSE players who traveled to Reno, Nevada, in March to compete in the United States Bowling Congress (USBC) National Championships, one of the premier amateur bowling events in the country that draws thousands of competitors each year.

DeCheney delivered an outstanding performance, taking the lead in Regular Singles with a 784 series and leading All-Events with a totalscoreof2,016. Smithalsofoundsuccessonthe tournament floor, as he and his doubles partner captured the lead in the Doubles event with a score of 1,306. Fellow league bowlers followed their progress throughout the tournament, cheering them on and congratulating both competitors for representing the HOUSE with skill and sportsmanship.

At Pincrest, we host a variety of leagues for all skill levels, give us a call at 231-865-3215 if you're interested in learning more.

FREE KIDSIGHT VISION SCREENING AT OLD FASHIONED DAYS SATURDAY MAY 23 12PM-2PM

by Elvira Marfil

The Michigan Lions Project KidSight Program is designed to detect treatable and preventable causes of vision loss in children. Utilizing a high-tech mobile vision scanner programmed to rapidly and accurately identify vision disorders such as myopia (nearsightedness), hyperopia (farsightedness), anisometropia (unequal refractive power), astigmatism (optical defect), anisocoria (unequal pupil size), and strabismus (gaze deviations) through non-invasive testing.

Lions KidSight provides children aged six months to 18 years with free vision screenings. These screenings help dramatically improve their quality of life and promote good educational and developmental outcomes. Hundreds of millions of children and adolescents worldwide are living with undiagnosed or uncorrected vision impairments, and vision conditions undetected by the age of seven can become permanent. Often, these problems are reversible with early intervention, which Lions KidSight aims to address for a better, healthier world.

Our objective is to identify and assist children who have vision disorders that hinder their ability to succeed in school and develop normally. By offering free vision screenings at local schools and/or daycare centers, our vision screenings provide a basic assessment of a child's eye health and are an important first step in identifying possible vision problems. This school year, Lions Clubs collaborated to provide vision screenings to the 18 schools in Muskegon County, screening 6,775 students and resulting in 738 referrals. We have seven scheduled preschools waiting to be screened.

For further information, please contact Elvie Marfil via email: epmarfil5@gmail.com, or cell phone: 818-800-1060.
