Muskegon County Fair, July 19-25

by Taylor Creighton

The Muskegon County Fair is coming back July 19-25, 2026, and it's shaping up to be another great week of summer fun in Fruitport.

If you've been before, you already know the vibe—food, lots of kids, plenty of animals, and a fun time.

Of course, the fair is really all about the agriculture. Local kids from across Muskegon County will be showing livestock they've worked hard on all year—cattle, horses, sheep, goats, and more. The barns stay busy, and it's one of the best parts of the fair if you like seeing the work that goes into raising animals. The livestock auction is another big moment during the week, giving the community a chance to support these exhibitors and their projects.

Kids Day is shaping up to be a highlight, giving fairgoers a chance to try activities, and just enjoy a day built for them. It's a great stop for families looking to keep things simple and fun.

Families will also love the petting zoo, where kids can get up close with friendly animals in a hands-on setting. It's always a hit and a great way to slow things down for a bit between events.

There's always a full schedule of grandstand events to check out in the evenings—usually some of the biggest draws of the week. This year you can expect to see SuperKicker Rodeo, Demo derby and truck & tractor pulls.

At the end of the day, the Muskegon County Fair is really about community. It's where people run into friends they haven't seen in a while, support local kids, and enjoy a laid-back summer tradition.

One thing that makes the fair even easier to enjoy—parking is free, so you can come and go without worrying about extra costs.

More details on schedules and events will come out closer to July, but for now, it's safe to say this is one week you'll want to keep open.

If you are interested in getting your kids involved in fair, visit the Muskegon County 4H booth at the fair or the Muskegon County Fairgrounds Website. ~by Taylor Creighton

Out amid the storms and rain  
The cardinal hunkers down;  
The blue Jay has not said a word, nothing heard  
But I know he will be around.

Many signs of springtime
Many places each of their own;
But the sounds and visions of this old farm for me,
Paint a scene of home.....
What a journey.....
